November 2015

Meeting Info

The next Patriot Chapter meeting will take place on Friday, November 6, at 7:30 p.m. at the First Parish Unitarian Church in Billerica, MA. The church is located on Concord Road, just as it meets Route 3A (Boston Road) at the Billerica Town Common. The November meeting will be a build session with a business meeting, Show-and-Tell, and a raffle.

Here's something you don't see every day. It's Ken Myers' 1:72 scale TF-86F, depicting the second of only two such planes ever built, as it appeared in 1955 in transitional markings from a demo bird to a USAF training group. Ken used three kits for the project: Airmodel Vacuum for the front fuselage and canopy, Heller for the windshield, aft fuselage and landing gear, and Hobbycraft for the wings, which feature extended tips and LE slats found only on the second plane. Cockpits are Pavla and Heller with scratchbuilt details. Ken added the ventral fin, extended rudder leading edge, position lights, beacon, canopy bracing, turtle deck, and many other small items. Paints are Alclad Aluminum, Duraluminum, Dark Aluminum, Stainless Steel and Chrome, with Model Master enamels for other colors. See Page 2 for another view of this unique model.

Minutes from the October Meeting

CHAPTER President Dave Schmidt called the meeting to order at 7:55 p.m. About ten members were present.

Dave began the meeting with a preliminary report on Patcon. The number of models was down from last year, but the financial return was comparable to last year. This was despite about \$500 in additional expenses driven by the late change of venue. The officers and members gave high marks for the Leominster Elks facility; Dave reported that the Elks would be pleased to have us return next year. On a lighter note, he reported that some of the Elks staff were somewhat confused by the show as they had not understood that “model show” referred to scale plastic kits.

Dave noted that Patriot Chapter received a number of trophy pack sales from clubs not in our region, including IPMS New Jersey. We will be reciprocating with these clubs when they hold their shows.

There was praise for all of the volunteers who made Patcon a success. Robert Butler was singled out in particular, not only for his own hard work, but for bringing in a number of volunteers to help with judging.

Nominations were briefly opened for 2016 E-Board officers. Dave Schmidt was nominated for President, Pip Moss for 1st VP, John Touloupis for Treasurer, and Alan Beeber for Secretary. All accepted their nominations. Pip also stated that he had communicated with Bill Michaels, who is willing to continue as 2nd VP. The nominations will be reopened at the November meeting.

Treasurer John Touloupis read the treasurer’s report. There was a motion to accept the report as read; the motion was seconded and passed unanimously.

Dave Schmidt spoke briefly about the possibility of using some of the chapter funds to benefit members. Two suggestions were club logo apparel, and using some of the money to offset expenses to members for club events (for example, as was done by helping to pay the admission for members who took part in the club outing to the Museum of World War 2 earlier this year).

This concluded the business portion of the meeting. There was a brief break for the sale of raffle tickets, followed by Show-and-Tell. After Show-and-Tell there was a second break for further ticket sales, followed by the raffle. After the raffle, the meeting broke up for the night.

—Rick Lippincott, Secretary

Show-and-Tell

Ken Myers.....1:72 TF-86F (Aero/Heller/Hobbycraft)
1:72 F-86F-30 (Hobby Boss)
Bart Navarro..... 1:48 P-36A Hawk (Esci/Ertl)
Jim Qualey1:72 A6M2 Zero (old mold Hasegawa)
1:72 A6M2 Zero (new mold Hasegawa)

Raffle Report

October Winner:

Dave Schmidt, Airfix 1:48 English Electric Lightning.

We sold \$31 in tickets and paid \$33 for the prizes, so we lost \$2. This dropped our net profit for the year to \$93.

—Bill Michaels, Vice President

Another view of Ken Myers' TF-86F

Show-and-Tell Gallery

Three views of Bart Navarro's 1:48 scale Curtiss P-46A Hawk (Esci/Ertl), built OOB and painted with Tamiya acrylics. Markings are for the 1st Flight leader of the USAAC 94th Pursuit Squadron in 1938.

Show-and-Tell Gallery (continued)

Two views of Jim Qualey's 1:72 scale A6M2 Zero (Hasegawa), built OOB from the 1970s vintage kit and painted with Model Master enamels. Jim used various decals to depict a plane based on Formosa in December 1941.

Two views of Jim Qualey's 1:72 scale A6M2 Zero (Hasegawa), this one from the new tool molding (1993). Jim built it OOB and painted it with Model Master enamels. He used Aeromaster decals to depict a plane seen in the early years of the Pacific war. Jim describes the new tooling as "a big improvement over the 70s vintage kit." One obvious visual difference in the newer kit is the shorter engine cowling.

Show-and-Tell Gallery (concluded)

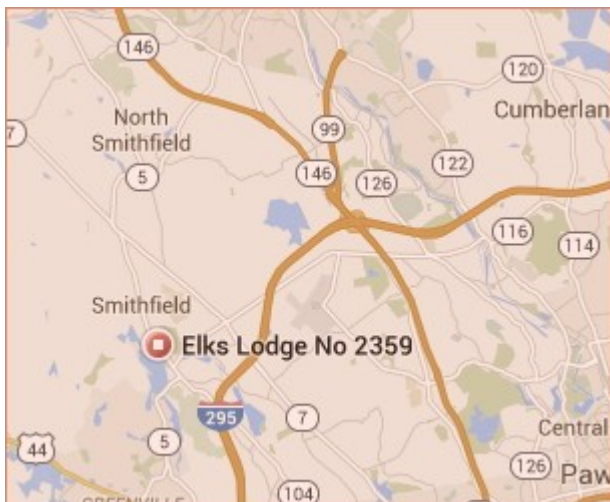

Three views of Ken Myers' 1:72 scale North American F-86F-30 (Hobby Boss). Ken added scratchbuilt details to the kit cockpit including rear view mirror, gun sight, boxes and levers. He also added tail lights, fuel dump and landing lights to the exterior. Ken used a number of Alclad shades for the NMF including Aluminum, Dark Aluminum, Duraluminum, Stainless Steel and Chrome. The tires were painted with Life-Like Tire Black, other areas with Testors Model Master enamels. The model depicts the last plane flown by Maj. James Jabara of the 334th Fighter Squadron, 4th Fighter Wing, based at Kimpo AB near Seoul, Korea, 1953.
